EMILY ALLEN

MPA
Associate Director of Operations, UW Pediatrics

Emily Allen holds a MPA from the Evans School and a BA in Economics, also from the University of Washington. Emily was the Managing Director at START from 2012 - 2020. In this role, she directed

capacities. Emily is an action-oriented leader who thrives by motivating diverse stakeholders towards a common goal. In her spare time, she can be found planning an upcoming travel adventure, trying a new recipe, moonlighting as a day-of wedding coordinator, and spending time with her husband, daughter, and cat.

Emily is currently the Associate Director of Operations at the UW Department of Pediatrics.
